

THE HEALER

DISCUSSION QUESTIONS

WEEK 1

1. **PERSONAL REFLECTION:** Begin group time by doing the Personal Reflection Guide, found on the front page of the sermon notes. Use this vital time to engage with God as healer, inviting him in to those areas of your life that need his healing presence.
2. **REAL WITH SELF:** Share your personal faith story—how did you come to accept Jesus? Since then, what areas of your life have you experienced his healing in?
3. **REAL WITH GOD:** Read James 4:2-3 NLT. God is not in the business of doing miracles that aren't requested. Where do I simply need to ask God for healing (physical, emotional, spiritual, relational)?
4. **REAL WITH OTHERS:** Share about a time when you have personally experienced a miracle from God. How did that affect your faith? How did (or how does) sharing that experience invite others into the healing that Jesus might have for them?
5. **TAKE ACTION:** Take communion as a group. As you do this, thank Jesus for his healing over your life. Pray, also, for the church—that God would bring healing to those who need it, and that more and more people would come to experience the healing power of Jesus.
