

THE HEALER

DISCUSSION QUESTIONS

WEEK 4

1. **PERSONAL REFLECTION:** Begin group time by doing the Personal Reflection Guide (found on the front page of the notes). Use this time to process your own experiences in waiting on God. (Tip: playing some soft background music is helpful here!)
2. **REAL WITH SELF:** Recall a time in which God did not grant your prayer request (for a miracle, for a change in circumstances, etc.) right away. What did you learn from this experience?
3. **REAL WITH GOD:** Do you only come to God when you need something? When was the last time you simply had a conversation with Jesus?
4. **REAL WITH GOD:** Read Lamentations 3:25-26 NLT. Waiting teaches us that what we need most is God—not what we're asking him for. How can you stay focused on Jesus as you wait?
5. **REAL WITH OTHERS:** How has your experience with the pain of waiting helped you to minister to others who are also experiencing suffering?
6. **TAKE ACTION:** Read Psalm 37:7 NLT. Impatience and comparison can be major distractors from experiencing what God has for us. What practical things can you do this week to slow down and focus on Jesus this week?
