

# THIS WEEK WITH SANDALS CHURCH KIDS:

We come to a shift in Week 4 of *The Visitor* as we dive into *Jesus, the Desert, and the Devil* which depicts Jesus' temptation as he spends 40 days in the wilderness in Matthew 4:1-11. We'll see how not only was Jesus tempted, but also how he dealt with that temptation.

## ONE THING

*Jesus went through the same things I do*

We hope kids will learn that Jesus is the perfect example of how a human should handle sin. We can follow his lead of fighting temptation head on.

## ACTION STEP

*I can choose to fight temptation*

When kids learn that they can fight temptation rather than just avoid it or give in to it, they will be more prepared to handle difficult choices in their lives in a godly way.

# THE CONVERSATION

**THE STARTER:** Tell your kid(s) about a time you chose to fight temptation.

1. What do you think temptation is?
2. What kind of temptations do you face in your life?
3. Have you ever chosen to fight temptation? How?

How will you get real about choosing to fight temptation? (or how can you put it into practice?)

# NEXT STEPS

Find this logo on the Get Real Guide and read the "Now What" Activity together. Together, make a plan on how you can put into action what your child learned today!

The next time you face a temptation to do something you know is sinful, take a deep breath and pause. Quickly pray and ask the Holy Spirit for help fighting against this tempting thing. Ask him to show you why it's wrong and how to take a different path towards something good instead. Fighting temptation is hard, but we never have to do it alone!
