

# THIS WEEK WITH SANDALS CHURCH KIDS;

We come to a shift in Week 4 as we dive into *Jacob's Vision: Ladder Edition* which depicts how Jacob's story turns around in Genesis 28. We'll learn how God reached out to Jacob in a dream and continued the family promise through him.

## ONE THING

***God reaches out to me.***

We hope kids will learn that God will always seek them out. He comes to us in love before we can even come to him.

## ACTION STEP

***I can respond to God.***

We want kids to see how relational God is and that they can turn to him at any time.

# THE CONVERSATION

**THE STARTER:** *Tell your kids about a time you responded to God (through prayer, worship, gratitude, etc.) about something that he did in your life.*

1. *What are some ways you have responded to God?*
2. *What are some ways God reaches out, or communicates, with us?*
3. *Why do you think God reaches out to us?*

**How will you get real about responding to God this week?  
(Or how can you put it into practice?)**

# NEXT STEPS

Find this logo on the Get Real Guide and read the "Now What" Activity together. Together, make a plan on how you can put into action what your child learned today!

*One way we can respond to God is by worshipping him like Jacob did! Did you know that worship isn't just singing? One way to worship is by tithing, or giving time or money to God's people, the church! This week talk to your parents about how you can give some money or time to your church!*
