

THIS WEEK WITH SANDALS CHURCH KIDS;

During Week 3 of Bookmark'd, we meet Gideon and his small army in *Gideon the Wimpy, Weak Warrior and the Trio of Timid Tests That Led to the Teensy Tiny Troop* in reference. We will see how our weaknesses are no obstacle to God's power.

ONE THING

God works through my weakness .

We want kids to know that God is not surprised by our weaknesses but presses into them to continue his plan for us.

ACTION STEP

I can depend on God's strength .

Our goal is for kids to know that in the moments they feel unequipped and choose to turn to God for help, God will never fail to show up.

THE CONVERSATION

THE STARTER: Parents, this one's for you! Tell your kids about a time you depended on God's strength.

1. What do you think it means to "depend" on someone?
2. Have you ever felt weak? What happened?
3. Why should you depend on God's strength?

How can you get real about depending on God's strength?

NEXT STEPS

Find this logo on the Get Real Guide and read the "Now What" Activity together. Together, make a plan on how you can put into action what your child learned today!

Think about one thing you aren't very good at. It's okay, no one is good at everything! Maybe it's speaking in front of others, or being confident in who you are, or learning new things. Now pray and ask God to use your weakness in that area to show his strength every day this week.
