

THIS WEEK WITH SANDALS CHURCH KIDS:

We come to a shift in Week 4 as we dive into *Saul for One and One for Saul* which depicts Saul's struggle of jealousy and an offer of absolute mercy from David in 1st Samuel 24:1-22. Saul is one lucky guy...

ONE THING

God uses me when I am humble.

We hope kids will learn that God has more room to do amazing things through us when we live in humility and give him credit for all things.

ACTION STEP

I can choose to be humble instead of proud.

Being proud and arrogant can get in the way of relationships - especially our relationship with God. We hope kids will choose humility over pride.

THE CONVERSATION

THE STARTER: Start the conversation by sharing with your child about a time when you chose to be humble instead of proud.

1. Who was wearing the robe when David was in the cave? (King Saul)
2. What do you think it means to be humble? When have you shown humility/been humble?
3. Why do you think God likes it when we are humble?

How will you get real about choosing to be humble instead of proud?

NEXT STEPS

Find this logo on the Get Real Guide and read the "Now What" Activity together. Together, make a plan on how you can put into action what your child learned today!

One of the best ways to work on being humble is to admit that you are not perfect and have things to work on to be better. This week talk to an adult you trust (like a parent or small group leader) and ask them, "What can I work on so I'm more like Jesus?" Listen to everything they say and then work on those things!
