

THIS WEEK WITH SANDALS CHURCH KIDS:

During Week 3, we check out the book of wise sayings as we dive into A Word to the Wise in Proverbs 1:1-7. We'll see how this book will help us live life God's way.

ONE THING

God chooses what is right and wrong

We want kids to know that because God is the creator of the Universe and even us, including us, that he gets to determine what is good and bad. God's character defines good.

ACTION STEP

I can be wise by doing things God's way

We want kids to see that doing things God's way is the best thing for them and will help them live an amazing life with eternal impact.

THE CONVERSATION

THE STARTER: Tell your kid(s) about a time you were wise and did things God's way and not the "world's".

1. If you know something is right but then don't do it, are you being wise?
2. Who gets to choose what is right and wrong? Why?
3. What happens when people decide what is right and wrong for themselves?

How will you get real about doing things God's way this week?
(or how can you put it into practice?)

NEXT STEPS

Find this logo on the Get Real Guide and read the "Now What" Activity together. Together, make a plan on how you can put into action what your child learned today!

Instead of using paper to create this week, choose a different medium, or technique. Grab clay, paper mache, popsicle sticks, pom poms, legos, pipe cleaners, or whatever else you might have to create your own version of a tree. Remember, you are God's creation, so you can be wise by doing things his way.
