

THIS WEEK WITH SANDALS CHURCH KIDS:

For Week 4 we dive into *Ezekiel and the Skeleton Crew* which depicts Ezekiel's vision from God about the valley of dry bones in Ezekiel 37:1-14. We'll see how this vision represented how God was going to give the Israelites a new spirit so their faith would grow once again.

ONE THING

God can restore my heart

We hope kids will learn that God alone can give them new spiritual life.

ACTION STEP

I can choose to know who God is

When kids turn to God in times of "dry" faith, they can grow in resilience and dependence on God.

THE CONVERSATION

THE STARTER: Tell your kid(s) about a time you chose to learn about who God is or focus your life on him.

1. What are some ways to learn about who God is?
2. What does restore mean?
3. Why does God want to restore your heart?

How will you get real about choosing to know who God is? (or how can you put it into practice?)

NEXT STEPS

Find this logo on the Get Real Guide and read the "Now What" Activity together. Together, make a plan on how you can put into action what your child learned today!

Take some time to go outside and play! Run around, jump, wave your arms, skip, or do a little dance. After you finish playing, think about how hard it would be to do any of that without muscles! God says that's what our lives are like without faith. We need God to bring our faith to life just like muscles bring our skeletons to life so we can play! Thank God for giving us a new spirit of faith.
